

# Chinese lyrics

沉睡著

等待花開的時間

誰留戀

魔鏡中說謊容顏

任歲月

青絲轉念飄白雪

卻難忘纖纖年華 初相見

秋漸涼

誰在提筆醉詩篇

江山遠

鮮衣怒馬的少年

是否已忘記

曾許拔劍為紅顏

待何時攜手歸路 隱田園

行囊裝滿

無處安放的信箋

眼裡藏著

欲言又止的思念

大聲呼喚  
你是否能聽見  
這是未曾說出的諾言

白雪公主  
還沉睡在夢裡面  
風雪之間  
誰還記得諾言  
時間走遠  
只剩你的容顏  
我在原點  
等你醒來那天

秋漸涼  
誰在提筆醉詩篇  
江山遠  
鮮衣怒馬的少年  
是否已忘記  
曾許拔劍為紅顏  
待何時攜手歸路 隱田園

白雪公主

還沉睡在夢裡面

風雪之間

誰還記得諾言

時間走遠

只剩你的容顏

我在原點

等你醒來那一天

白雪公主

世界早已改變

多少思念

落在風雪裡面

如果夢境

能帶你回從前

我願再等

直到你出現

# English Lyrics

Sleeping still

Waiting for the flowers to bloom

Who remains

In the mirror' s lying truth

Through the years

Black hair fades into white snow

Yet I remember

The first time we met

Autumn falls

Who writes poems in drunken dreams

Far away

Riding youth in golden scenes

Have you now

Forgot the vow you once made

Draw your sword

For the one you would save

My bag is filled

With letters I can' t send away

In my eyes

All the words I couldn' t say  
Calling out  
Can you hear me through the pain  
This is all  
The promise left unspoken

Snow White still  
Sleeping deep inside her dreams  
In the storm  
Who still holds onto the dream  
Time moves on  
Only your face remains  
I' ll be here  
Waiting for you again

Autumn falls  
Who writes poems in drunken dreams  
Far away  
Riding youth in golden scenes  
Have you now  
Forgot the vow you once made  
Draw your sword

For the one you would save

Snow White still

Sleeping deep inside her dreams

In the storm

Who still holds onto the dream

Time moves on

Only your face remains

I' ll be here

Waiting for you that day

Snow White now

The world has changed so much

All these thoughts

Lost in wind and snow and dust

If this dream

Could bring you back in time

I would wait

Until you reappear
